INTRODUCTION

It gives me great pleasure to present the Annual Quality Assurance Report (AQAR) of the academic year 2010-2011, prepared by Internal Quality Assurance Cell (IQAC) of our college to the National Assessment and Accreditation Council (NAAC). Our college has been educating and assessing students from economically, educationally and socially backward classes since June 1970. We are sure to become aware of our shortcomings and strengths which would help us to attain our goal more effectively.
