*** INTRODUCTION ***

It gives me great pleasure to present the Annual Quality Assurance Report (AQAR) of the academic year (2008 – 2009) prepared by Internal Quality Assurance Cell (IQAC) of our college to the National Assessment and Accreditation Council (NAAC). Our college has been educating and assessing students from economically, educationally and socially backward classes since June 1970. NAAC has provided us an opportunity to identify the areas of our strengths, weakness and limitations.

We have made sincere efforts and honest retrospection while preparing this AQAR. This report has been presented according to the guidelines formulated by the NAAC. We are sure to become aware of our shortcomings and strengths which would help us to attain our goal more effectively.

We hope and believe that we have come up to the expectations of NAAC.
